STATINTL

STATINTL

I represent [redacted] with respect to the automobile accident occurring at Front Street in Pennsville, New Jersey, when the car owned by Frank [redacted] and operated by you struck my client's car and damaged it severely.

STATOTHR

My client's car was damaged in the sum of \$129.35. He also lost two days' wages and suffered many inconveniences as the result of your failure to refund him for the repairs as you promised at the time of the accident.

I would appreciate hearing from you within the near future with respect to the above. Unless I do hear from you within a period of three weeks, it will be necessary for me to proceed according to law.

Very truly yours
